

AMENDMENT OF THE RULES OF THE BOARD OF REGENTS

Pursuant to sections 207, 210, 214, 215, 218, 224, and 305 of the Education Law.

1. Paragraph (2) of subdivision (d) of section 3.47 of the Rules of the Board of Regents is amended to read as follows:

(2) Professional degrees. Graduate professional degree programs must be comprised of advanced studies in professional or vocational fields. While they may have strong theoretical underpinnings, they must have as their primary purpose knowledge for application in professional practice. Master's degree programs of this type are primarily terminal in nature. They may serve as preparation for advanced studies at the doctoral level, but they shall not be designed primarily for this purpose. The doctorate in such studies is likewise practical, insofar as it prepares the student to train or supervise others in the field, to discover new knowledge that has practical application in the field, or to prepare the student for a life of practice in the student's particular profession. Only the following degrees may be conferred upon the completion of a professionally oriented graduate program:
